Dear Ed:

On behalf of Special Olympics Massachusetts I would like to thank you and the rest of the staff at the Woburn Bowladrome for all of your time and effort at our Candlepin Event on March 30th. The event was a huge success, and that is thanks in large part to your dedication and support, not only during the weekend but also in the weeks leading up to it. Thanks to your commitment to Special Olympics, year after year we are able to provide our athletes with incredible competition opportunities.

As I walked through the venue on Sunday I saw nothing but excited, smiling faces on all the athletes who had been anxiously anticipating this event for weeks. From the second the first athlete arrived until the last one got their award the event ran extremely smooth. Trying to organize and maintain 170 athletes across 40 lanes is certainly a tough task, however you handled it flawlessly. It's always a huge stress off my shoulders when I know we have a good facility with great staff to help us run our events. The time and support of everyone involved in is truly appreciated.

Thank you again for helping to make the Special Olympics North Section Candlepin Bowling Event such a huge success!

In the Spirit of Special Olympics,

Jen Maitland
